DUNSMORE BUSINESS COLLEGE
 An Institute of Shorthand.
 Staunton, Virginia.

Is not an experiment, nor is it in its infancy. It has lived for 22 years and sent to the world's great emporium more young men than all the other business colleges of the two Virginias combined. Its proprietor charges a fair and reasonable compensation for the training it gives, and offers no premium for idleness. Our rates are \$50 for eight months. If a pupil remains longer than eight months we charge him \$5 per month extra thereafter. If he graduates in less than eight months, we will deduct \$6.25 per month for the unexpired time. Thus it can be seen that we do not offer any inducement to waste time and money, but on the other hand we do offer an inducement to save both time and money by completing the course inside eight months. After graduation we give two weeks gratis in Typewriting, Shorthand, or Penmanship, as the graduate may elect, and a Life Scholarship granting the holder the privilege to return and review his whole course at any future time, gratis. Our penman, Prof. R. W. Ballentine, formerly professor of Grand Rapids (Mich.) Business College is an artist of rare ability and an expert Shorthand and Typewriter. Prof. Dunsmore is giving his special attention to the Theory and Practical Departments this session. 28 years ACTUAL experience has made him thoroughly master of his work. He is a member of the Institute of Accounts of New York city and through this organization and the agency of old graduates holding positions in large cities, he is enabled to aid his graduates to lucrative employment.
